History of Acapulco Taco

Acapulco Taco and Burritos opened its doors in 1972. The San Mateo location was the building that housed the first Lotaburger. The restaurant has been popular with Air Force personnel stationed at nearby Kirtland Air Force Base. In 2010, Lance & Cindy Darnell purchased Acapulco. We are proud to say that we are a locally owned, family-run business. We put much love into our Mexican food and appreciate our customers' loyalty over the years.
